OUR *Mission*

The Daughters of Penelope was founded in San Francisco, California on November 16, 1929, for the purpose of helping women and families of immigrants of Greek descent to assimilate into early 20th century American society.

Now, a century later, the main focus is to promote the social, ethical, philanthropic, cultural and intellectual interests of its members, while preserving and promoting the ideals and traditions of Hellenism in each of our communities.

OUR *Foundation*

The Daughters of Penelope Foundation, Inc. was established in 1983 to ensure that these objectives are carried forward by providing monetary support for special programs - primarily scholarships - for future generations.

The vision and dreams of our Founder, Alexandra Apostolides Sonenfeld, will be carried forward by the Foundation. It is our belief that programs such as these provide opportunities to expand our hearts and minds. We know where we have been and where we are now. We are looking to the future and where we can.

The Daughters of Penelope Foundation, Inc. is a 501(c)(3) Charitable Foundation. The Foundation issues receipts for all donations and, as such, all donations made are tax deductible. To this end, the Foundation accepts any type of donation including monetary, stocks, bonds, etc.

LITERACY PROJECT – DAUGHTERS OF PENELOPE BOOK CLUB

The Daughters of Penelope Foundation Inc. Book Club grew out of the Children's Literacy Project and each month offers a Main Selection, a Greek Selection and a Just For Fun / Gift Selection. The selections from all three categories include fiction, mystery, memoirs and history in addition to some great beach reads and humorous books. The Foundation organizes discussion questions and a monthly e-newsletter for all Book Club members at no charge - visit our website for monthly updates and purchase your books through our Amazon links. All proceeds from the Book Club are earmarked for the perpetual scholarship.

THE GREEK IMMIGRANT ORAL HISTORY STUDY

This major project was initiated by The Daughters of Penelope Foundation, Inc. Hundreds of recorded hours chronicling the history of Greek immigrants in the United States and Canada were gathered and compiled by our membership and deposited in the Library of Congress in Washington, DC, the University of Minnesota, and the Library of Congress in Athens, Greece. Our organization has the distinction of creating the only study of its kind in the Congressional Library in Washington, DC.

PENELOPE'S LIBRARY

In 2006, as a result of a generous donation given by Past Grand President and Past Foundation President, Evellyn Tsiadis, ten \$250.00 grants were awarded to chapters for the purpose of establishing libraries in shelters and other long-term facilities. An 11th grant was funded by Past Grand President JoAnn Pagonis. The libraries were named "Penelope's Library." In addition to the grant each chapter was presented with copies of Alike books and a "Penelope's Library" plaque from the Foundation.
