

# Pay It Forward → Donate to a Scholarship today!

Educational Scholarship giving is one of the oldest projects of the Daughters of Penelope, which started in 1951 when Zoe Ganos from Milwaukee, Wisconsin, received the first Daughters of Penelope Scholarship.

**Pay it Forward** is a concept that dates back to Benjamin Franklin in 1784. It is an expression for describing the beneficiary of a good deed and repaying it to others.

The **Daughters of Penelope Foundation Pay It Forward Scholarship** was designed to be a vehicle for past scholarship recipients to show their gratitude and Pay it Forward to the next generation of Daughters of Penelope Scholarship Recipients.

This scholarship fund is expected to grow over time as does the roster of Foundation scholarship recipients. In order to use the money from the scholarship fund, we must first raise \$30,000.
