Lastly, I cannot stress enough the importance of a well written and thoughtful essay and letters of recommendation are in completing the application process. The evaluators want to get a sense of the individuals, their accomplishments and their goals for the future.

Understanding The Daughters of Penelope Scholarship Process

Daughters of Penelope Foundation, Inc.

Scholarship Chairman

The Daughters of Penelope Scholarships

are Tax Free

What is a tax free scholarship?

In order for a scholarship to be tax free it must be used for tuition, books and other fees related to classes only. Further, the money must go directly to the institutions, if the money is given directly to the student it becomes a taxable scholarship and the recipient will have to pay taxes on the scholarship.

The old school of thought was by giving the applicant the money directly, it would not interfere with financial aid assistance. However, with the new rules from the IRS in regards to tax free scholarships one must think of it this way. All students do not qualify for financial aid assistance; as well financial aid assistance does not cover all expenses of school. Most students will have to take out student loans thru government programs and private loans that will have to be paid back over time. The scholarship money will reduce the loan amount.

Duties of the Scholarship Chairman

The duties of the Scholarship Chairman are to assist the applicant in the scholarship process. As well, she receives the applications and certifies that all requirements are met. After the scholarship applications have been evaluated by an independent evaluation committee the Chairman will then notify all applicants of their results by postal mail. Further, she will continue to work with the recipients until all other required information is obtained before mailing the checks to the institutions. She must abide by the rules and regulations set forth by the Foundation and render a report to the Foundation.

Evaluation Committee

The evaluation committee uses a rubric for evaluating the scholarships that has been provided by the Foundation. It is their duty to rank the scholarships and assign the scholarship award to the recipients. As well, the committee consists of 3 evaluators who are not Greek, not affiliated with the AHEPA Family, and not affiliated with the applicants or family members.

The Scholarship Application

The application will be available online by the end of January on the Foundation website and the DOP Website, there are two formats available: a PDF and a Fillable PDF. Please encourage applicants to review the application process early to insure that they will be able to fulfill all the requirements in a timely manner and not wait until the eleventh hour. Applicants who wait until the last minute have a greater chance for missing items from the checklist, which will result in disqualification. As well, if they have any questions about the application process, it is better to inquire early with the Scholarship Chairman.

The scholarship application is four pages, all instructions, requirements and a check list has been provided. Please utilize the Check List and include this page as it is part of the application and it will assist in fulfilling the required elements of the process.
