

THE DAUGHTERS OF PENELOPE FOUNDATION INC

Presents

Bridges Incentive Grant Program *Building Community Bonds*

Bridging the Daughters of Penelope with the communities we live in, building community bonds and promoting the good works of our organization.

What is the Bridges Incentive Grant Program?

The program was established to recognize and support local and district incentives that would build a bridge between the Daughters of Penelope and the communities we live in, while promoting the ideals of the Daughters of Penelope through community service, civic responsibility and family excellence.

The Foundation will recognize a select number of exemplary programs/projects that benefit a local qualified 501(c) 3 organization within your chapter or district area. **Your chapter or district may submit only one (1) program/project proposal** with an application and the completed proposal must be **implemented and submitted by the May 1st deadline**. The chapters and districts selected as grant recipients will have a matching grant donation up to \$250 donated by the Foundation in their name to a single (1), qualified 501(c)3 organization. All applicants not selected are encouraged to reapply for the awards in the next call for proposals.

Funding for the incentive grant comes from the Foundation directly. As the program expands, it is possible that there may be contributors who would like to fund the program. If so, the benefactor's name would then be recognized in all printed materials associated with the Bridges Incentive Grant Program.

What are the Program's Goals?

- To strengthen our bonds in our local communities bridging the gap between the Daughters of Penelope and the communities we live in
- To reward and encourage creativity and innovation in the Daughters of Penelope
- To perpetuate the works of our Order at the grass-roots level
- To promote volunteering, charitable giving and family excellence
- To motivate and inspire membership participation
- To stimulate the development of new ideas

What Kind of Projects will the Foundation Support?

The Foundation will support unique civic, cultural, educational or charitable programs that benefit a qualified 501(c) 3 organization within a local chapter or district area and that have the potential to radiate excellence. By this, we mean that the project should lend itself to serving as a model for other chapters or districts to adapt, modify, or replicate, thereby strengthening the entire organization. The selected 501(c) 3 organization should be in existence for a minimum of 5 years.
